

Pleasant Park Neighborhood Association
Monthly Meeting
September 12, 2006

Meeting was called to order by President Darrell Dearborn. He welcomed new neighbors attending, followed by introductions of all members. 25 people were present.

Committee reports:

Planning and Zoning: John Wallack told us nothing new with Conifer Corners development. They have until November 5 or 6 to schedule the hearing with the County Commissioners. He also recapped development issues in our area for new members.

Treasurer's report: As of July 31, our bank balance was \$2130.23 per Yvonne Smith who was substituting for Kris Wallack.

Water Committee: Nothing new. Dick brought some booklets he thought might be of interest to members. He also said that with the new development in our area, there is some renewed interest in building reservoirs. He also reminded everyone that the Mountain Water Overlay commission meeting is tomorrow night.

Shirley Johnson from the Conifer Area Council talked to us about their community identity project. A survey of the community has resulted in over 700 responses. Next Wednesday is the Conifer Town Hall meeting. The agenda flyer is attached.

Suzi Morris asked for the email addresses of new members.

We had two guest speakers introduced by Peter Brockman. Linda Rockwell- the Democratic candidate for Jefferson County Clerk and Mike Daniels- the Democratic candidate for District 25 State House Representative. Each gave a short talk followed by a question and answer period.

Darrell reminded everyone that the October 10th meeting will be our annual election of officers and annual dues will be collected for the new year. We also discussed having a holiday celebration in December for our monthly meeting. We will talk details next meeting.

The meeting was adjourned at 8:30 P.M.

A short board meeting followed the general meeting. A slate of candidates for office was decided upon.

Respectfully submitted,
Joan Laden, Secretary
